Subject: Camp Marc Summer Camp Session

Hello counselors,

On behalf of Beth Tillman (Camp Director) and myself, we hope that you are doing well and looking forward to a great summer “vacation” which we all know means the wonderful week at **CAMP MARC!**

I am sure that all the campers are looking forward to it too.

The summer session this year is **June 26th – July 3th, 2026.**

Please download the application from our website and **return** to me **by May 8th** to secure your spot on the team. After the 8th the spots will be opened up to new counselors and past counselors that were not there last year. Applications received after that time will go on a waiting list.

If more information is needed or if you know someone else that might like an application, please contact me at (279) 839-7540 cell, or email me at: eevore42240@yahoo.com. You can also contact Beth at (270) 498-3601 cell or email: btillman@cornerstone.us. You can also visit our website at www.campmarc.org to download an application or check important dates.

Please note, the first spots on the counseling staff will be assigned to people who attended in 2025. However, after May 8th, the open spots will be filled based on availability by new and returning counselors. Please return the counselor application as soon as possible to have your name put in for a spot on the 2026 counselor team. You would not want to miss a week of rewarding experiences and fun.

If you have email, please be sure to check it often because we will use that as a form of communication regarding camp.

We look forward to hearing from you and spending another great summer with you at Camp Marc!

Please return your information to me as soon as possible:
